

PROFESSIONAL AWARDS

JOSEPH GRINNELL AWARD for excellence in education in mammalogy

- 1997—**B. Elizabeth Horner**, Smith College
- 1998—**James L. Patton**, Museum of Vertebrate Zoology, University of California, Berkeley
- 1999—**Philip Myers**, Museum of Zoology, University of Michigan
- 2000—**Robert J. Baker**, Texas Tech University
- 2001—**Timothy E. Lawlor**, Humboldt State University
- 2002—**John B. Bowles**, Central College, Pella, Iowa
- 2003—**David J. Schmidly**, Oklahoma State University, Texas Tech University, and Texas A&M University
- 2004—**Norman A. Slade**, University of Kansas
- 2005—**Mark S. Hafner**, Museum of Natural Science, Louisiana State University
- 2006—**Jerry R. Choate**, Sternberg Museum of Natural History, Fort Hays State University
- 2007—**Peter D. Weigl**, Wake Forest University
- 2008—**R. Mark Brigham**, University of Regina, Regina, Saskatchewan, Canada
- 2009—**David M. Armstrong**, University of Colorado
- 2010—**Enrique P. Lessa**, Facultad de Ciencias, Universidad de la República, Montevideo, Uruguay

HARTLEY H. T. JACKSON AWARD for long and outstanding service to ASM

- 1978—**William B. Davis**, Texas A&M University
- 1979—**William H. Burt**, Museum of Zoology, University of Michigan, and California Institute of Technology
- 1980—**Bryan P. Glass**, Oklahoma State University
- 1983—**J. Knox Jones, Jr.**, Texas Tech University and University of Kansas
- 1984—**Oliver P. Pearson**, Museum of Vertebrate Zoology, University of California, Berkeley
- 1985—**Sydney Anderson**, Department of Mammalogy, American Museum of Natural History
- 1986—**Murray L. Johnson**, Burke Memorial Washington State Museum and Puget Sound Museum of Natural History
- 1987—**Donald F. Hoffmeister**, University of Illinois and University of Kansas
- 1988—**Karl F. Koopman**, American Museum of Natural History, Academy of Natural Sciences of Philadelphia, and Chicago Museum of Natural History

- 1990—**Marie A. Lawrence**, Department of Mammalogy, American Museum of Natural History
- 1991—**John O. Whitaker, Jr.**, Indiana State University
- 1992—**B. J. Verts**, Oregon State University and Illinois Natural History Survey
- 1993—**J. Mary Taylor**, Cleveland Museum of Natural History, Oregon Regional Primate Research Center, University of British Columbia, and Wellesley College
- 1994—**Robert J. Baker**, Texas Tech University
- 1995—**James A. Lackey**, State University of New York—Oswego
- 1996—**Don E. Wilson**, National Museum of Natural History, Smithsonian Institution and U. S. Fish and Wildlife Service
- 1997—**Clyde Jones**, Texas Tech University, U. S. Fish and Wildlife Service, and Tulane University
- 1998—**Gordon L. Kirkland, Jr.**, Shippensburg University of Pennsylvania
- 1999—**Elmer C. Birney**, Bell Museum of Natural History, University of Minnesota
- 2000—**Richard W. Thorington, Jr.**, Division of Mammals, National Museum of Natural History
- 2001—**Suzanne B. McLaren**, Section of Mammals, Carnegie Museum of Natural History
- 2002—**H. Duane Smith & Dahnelle Smith**, Brigham Young University
- 2004—**Hugh H. Genoways**, University of Nebraska-Lincoln; Carnegie Museum of Natural History; Museum of Texas Tech University
- 2005—**Alfred L. Gardner**, USGS, Patuxent Wildlife Research Center
- 2006—**David M. “Chip” Leslie**, Oklahoma State University
- 2007—**Barbara H. Blake**, University of North Carolina at Greensboro
- 2008—**Michael A. Mares**, Sam Noble Oklahoma Museum of Natural History, University of Oklahoma
- 2009—**Glennis Kaufman**, Kansas State University
- 2010—**Thomas J. “Mac” McIntyre**, National Marine Fisheries Service (NOAA)

C. HART MERRIAM AWARD for outstanding research contributions to the science of mammalogy

- 1976—**James N. Layne**, Archbold Biological Station, University of Florida, and Cornell University
- 1977—**J. Knox Jones, Jr.**, Texas Tech University and University of Kansas
- 1978—**James S. Findley**, University of New Mexico
- 1979—**Terry A. Vaughan**, Northern Arizona University and Colorado State University
- 1980—**Robert J. Baker**, Texas Tech University

- 1981—**John F. Eisenberg**, University of Florida, National Zoological Park, University of Maryland, and University of British Columbia
- 1983—**James L. Patton**, Museum of Vertebrate Zoology, University of California, Berkeley
- 1985—**Michael H. Smith**, Savannah River Ecology Laboratory and University of Georgia
- 1986—**William Z. Lidicker, Jr.**, Museum of Vertebrate Zoology, University of California, Berkeley
- 1987—**Hugh H. Genoways**, University of Nebraska State Museum, Carnegie Museum of Natural History, and Texas Tech University
- 1988—**Jerry R. Choate**, Sternberg Museum of Natural History, Fort Hays State University
- 1989—**James H. Brown**, University of New Mexico, University Arizona, University of Utah, and UCLA
- 1991—**Timothy H. Clutton-Brock**, Cambridge University, Cambridge, England
- 1992—**Guy G. Musser**, Department of Mammalogy, American Museum of Natural History
1993—**Charles J. Krebs**, University of British Columbia
- 1994—**Gail R. Michener**, University of Lethbridge
- 1995—**M. Brock Fenton**, York University
- 1996—**Katherine Ralls**, National Zoological Park
- 1997—**Kenneth Armitage**, University of Kansas
- 1998—**Thomas H. Kunz**, Boston University
- 1999—**Carleton J. Phillips**, Texas Tech University, Illinois State University, and Hofstra University
- 2000—**Michael A. Mares**, Sam Noble Oklahoma Museum of Natural History, University of Oklahoma, and University of Pittsburgh
- 2001—**Theodore H. Fleming**, University of Miami
- 2002—**George O. Batzli**, University of Illinois
- 2003—**R. Terry Bowyer**, University of Alaska, Fairbanks
- 2004—**O. J. Reichman**, National Center for Ecological Analysis and Synthesis, University of California, Santa Barbara
- 2005—**Kay E. Holekamp**, Michigan State University
- 2006—**David W. Macdonald**, University of Oxford, Oxford, United Kingdom
- 2007—**Robert S. Hoffmann**, National Museum of Natural History, Smithsonian Institution
- 2008—**Christopher R. Dickman**, University of Sydney, New South Wales, Australia
- 2009—**Richard S. Ostfeld**, Cary Institute of Ecosystem Studies, Millbrook, NY
- 2010—**Gerardo Ceballos**, Universidad Nacional Autónoma de México, Coyoacán, Ciudad de México, México

ALDO LEOPOLD CONSERVATION AWARD for outstanding contributions to the conservation of mammals and mammalian biodiversity

2003—**Edward O. Wilson**, Harvard University

2004—**Russell A. Mittermeier**, Conservation International, Washington, DC

2005—**George B. Schaller**, Wildlife Conservation Society, Bronx, NY

2007—**Rodrigo A. Medellín**, Instituto de Ecología, Universidad Nacional Autónoma de México, Coyoacán, Ciudad de México, México

2008—**Virgilio G. Roig**, Jardín Zoológico de Mendoza, Mendoza, Argentina

2009—**Helene Marsh**, James Cook University, Townsville, Queensland, Australia

2010—**Herbert Prins**, Chair of Resource Ecology, Wageningen University, The Netherlands

HONORARY MEMBERS conferred in recognition of a distinguished career in service to mammalogy

1919—**Joel Asaph Allen**, American Museum of Natural History

1921—**Edouard-Louis Trouessart**, Museum of Natural History of Angers and Museum National d'Historie Naturelle, Paris, France

1928—**M. R. Oldfield Thomas**, British Museum (Natural History), London, England
Max Weber, University of Amsterdam and University of Utrecht, The Netherlands

1929—**Henry Fairfield Osborn**, American Museum of Natural History; Columbia University; and Princeton University

1930—**C. Hart Merriam**, U. S. Biological Survey

Edward W. Nelson, U. S. Biological Survey

1936—**Alfred W. Anthony**, San Diego Museum of Natural History

William Berryman Scott, Princeton University

1937—**Leonhard Stejneger**, U. S. National Museum

1941—**Gerrit S. Miller, Jr.**, U. S. National Museum

Ernest E. Thompson Seton, independent writer and artist

1942—**Marcus Ward Lyon, Jr.**, U. S. National Museum; Howard University; George Washington University; and South Bend Clinic in Indiana

1947—**Rudolph M. Anderson**, National Museum of Canada

Angel Cabrera Latorre, National Museum of Natural History, Madrid, Spain; National University of La Plata and La Plata Museum, La Plata, Argentina; and University of Buenos Aires, Buenos Aires, Argentina

1951—**A. Brazier Howell**, U. S. Fish and Wildlife Service and Johns Hopkins Medical School

Theodore S. Palmer, U. S. Fish and Wildlife Service

- 1952—**Hartley H. T. Jackson**, U. S. Fish and Wildlife Service
Edward A. Preble, U. S. Fish and Wildlife Service and Nature Magazine
- 1954—**William K. Gregory**, American Museum of Natural History and Columbia University
Walter P. Taylor, University of California, Berkeley; U. S. Fish and Wildlife Service; University of Arizona; Texas A&M University; Oklahoma State University; and Claremont Graduate School of the Claremont Colleges
- 1955—**Harold E. Anthony**, American Museum of Natural History
- 1956—**Lee R. Dice**, University of Michigan
Albert R. Shadle, Roswell Park Memorial Institute in Buffalo and Cornell University
- 1959—**Francis Harper**, Boston Society of Natural History; independent scholar, researcher, and writer
Nagmaichi Kuroda, Ministry of Internal Affairs; Department of the Imperial Household; and Ministry of Agriculture and Forestry, Tokyo, Japan
- 1962—**Magnus A. Degerbøl**, Zoological Museum, University of Copenhagen, Copenhagen, Denmark
- 1963—**Vladimir G. Heptner**, Zoological Museum of Moscow State University, Moscow, U.S.S.R.
Remington Kellogg, U. S. Fish and Wildlife Service and U. S. National Museum
Tracy I. Storer, University of California, Davis, and University of California, Berkeley
- 1964—**E. Raymond Hall**, University of Kansas and University of California, Berkeley
Stanley P. Young, U. S. Biological Survey and U. S. Fish and Wildlife Service
- 1965—**William J. Hamilton, Jr.**, Cornell University
- 1966—**Erna Mohr**, Zoologisches Museum and Institut, Hamburg, Germany
Klaus Zimmerman, Natural History Museum of the Humboldt Institut, Berlin, Germany
- 1968—**William H. Burt**, University of Michigan and California Institute of Technology
William B. Davis, Texas A&M University
- 1969—**George Gaylord Simpson**, Harvard University; American Museum of Natural History; and Columbia University
- 1970—**Robert T. Orr**, California Academy of Sciences
- 1971—**Stephen D. Durrant**, University of Utah
- 1972—**Kazimierz Petruszewicz**, Institute of Ecology, Polish Academy of Sciences; University of Warsaw, Warsaw, Poland
- 1973—**Charles S. Elton**, University of Oxford, Oxford, England
- 1976—**Emmet T. Hooper**, Museum of Zoology, University of Michigan

- Vladimir E. Sokolov**, Moscow State University; Department of General Biology, Russian Academy of Sciences; A. N. Severtzov Institute of Animal Evolutionary Morphology and Ecology, Moscow, U. S. S. R.
- 1979—**Oliver P. Pearson**, University of California, Berkeley
- 1981—**Victor B. Scheffer**, U. S. Fish and Wildlife Service
- 1982—**Donald F. Hoffmeister**, University of Illinois and University of Kansas
Z. Kazimierz Pucek, Mammal Research Institute, Polish Academy of Sciences, Warsaw, Poland
- 1983—**Björn O. L. Kurtén**, University of Helsinki, Helsinki, Finland
- 1985—**John Edwards Hill**, British Museum (Natural History), London, England
- 1986—**Randolph L. Peterson**, Royal Ontario Museum and University of Toronto, Toronto, Canada
Bernardo Villa-Ramirez, Universidad Nacional Autonoma de México, D.F., México, México
- 1987—**Francis Petter**, Museum National d'Historie Naturelle, Paris, France
- 1988—**XIA Wuping**, Northwest Plateau Institute of Biology, Academia Sinica, China
- 1990—**Karl F. Koopman**, American Museum of Natural History; Academy of Natural Sciences of Philadelphia; Chicago Museum of Natural History
- 1991—**Philip Hershkovitz**, Field Museum of Natural History
- 1992—**Sydney Anderson**, American Museum of Natural History
J. Knox Jones, Jr., Texas Tech University and University of Kansas
- 1993—**John N. Calaby**, CSIRO, Canberra, ACT, Australia
James N. Layne, Archbold Biological Station; University of Florida; Cornell University
- 1994—**James S. Findley**, University of New Mexico
- 1995—**William Z. Lidicker, Jr.**, Museum of Vertebrate Zoology, University of California, Berkeley
- 1996—**Robert S. Hoffmann**, Smithsonian Institution; National Museum of Natural History; University of Kansas; University of Montana
- 1997—**J. Ticul Álvarez-Solózano**, Escuela Nacional de Ciencias Biológicas, México, D.F., México
- 1998—**Wang Sung**, Academia Sinica, Beijing, China
- 1999—**Paul S. Martin**, University of Arizona
- 2000—**Franklin H. Bronson**, University of Texas, Austin
- 2001—**James L. Patton**, Museum of Vertebrate Zoology, University of California, Berkeley
J. Mary Taylor, Cleveland Museum of Natural History; Oregon Regional Primate Research Center; University of British Columbia; and Wellesley College

- Patricia A. Woolley**, La Trobe University, Melbourne, Victoria, Australia
- 2002—**Hugh H. Genoways**, University of Nebraska State Museum; Carnegie Museum of Natural History; and Texas Tech University
- Eviatar Nevo**, University of Haifa, Haifa, Israel
- Don E. Wilson**, National Museum of Natural History, Smithsonian Institution, and U. S. Fish and Wildlife Service
- 2003—**Jennifer U. M. Jarvis**, University of Cape Town, Rondebosch, Republic of South Africa
- Clyde Jones**, Texas Tech University; U. S. Fish and Wildlife Service; and Tulane University
- LIM Boo Liat**, Institute for Medical Research and University of Malaysia, Kuala Lumpur, Malaysia
- 2004—**Guy G. Musser**, American Museum of Natural History
- David C. D. Happold**, Division of Botany and Zoology, Australian National University, Canberra, ACT, Australia
- 2005—**Robert J. Baker**, Texas Tech University
- José Ramírez Pulido**, Universidad Autónoma Metropolitana - Iztapalapa, México, D. F., México
- 2006—**James H. Brown**, University of New Mexico
- 2007—**Jerry R. Choate**, Sternberg Museum of Natural History, Fort Hays State University
- Richard W. Thorington, Jr.**, National Museum of Natural History, Smithsonian Institution
- 2008—**Thomas H. Kunz**, Boston University
- Alfredo Langguth**, Laboratorio de Evolución, Universidad de la República, Montevideo, Uruguay
- Terry L. Yates**, University of New Mexico
- 2009—**Kenneth B. Armitage**, University of Kansas
- Timothy H. Clutton-Brock**, University of Cambridge, Cambridge, United Kingdom
- 2010—**Alfred L. Gardner**, Biological Survey Unit, USGS Patuxent Wildlife Research Center, National Museum of Natural History

STUDENT AND YOUNG PROFESSIONAL AWARDS

ALBERT R. AND ALMA SHADLE FELLOWSHIP presented by the Buffalo Foundation to a student enrolled in a university/college in the United States to promote a professional career in mammalogy by allowing the recipient greater freedom to pursue research

- 1972—**James Joule**, University of Houston
William J. Bleier, Texas Tech University
- 1973—**Philip D. Gingerich**, Yale University
- 1974—**Patricia W. Freeman**, University of New Mexico
- 1975—**Thomas J. O'Shea**, Northern Arizona University
- 1976—**John L. Hoogland**, University of Michigan
- 1977—**Ira F. Greenbaum**, Texas Tech University
- 1978—**Kenneth D. Rose**, University of Michigan
- 1979—**Peter V. August**, Boston University
- 1980—**Michael A. Bowers**, University of Arizona
- 1981—**Gary G. Kwiecinski**, Cornell University
- 1982—**W. Christopher Wozencraft**, University of Kansas
- 1983—**Duke S. Rogers**, University of California, Berkeley
- 1984—**Craig S. Hood**, Texas Tech University
- 1985—**Robert M. Sullivan**, University of New Mexico
- 1986—**Cynthia E. Rebar**, Kansas State University
- 1987—**Kimberlyn Nelson**, Harvard University
- 1988—**Ronald A. Van Den Bussche**, Texas Tech University
- 1989—**Brett R. Riddle**, University of New Mexico
- 1990—**Robert D. Bradley**, Texas Tech University
- 1991—**Craig L. Frank**, University of California, Irvine
- 1992—**Jennifer K. Frey**, University of New Mexico
- 1993—**James W. Demastes**, Louisiana State University
- 1994—**Douglas A. Kelt**, University of New Mexico
- 1995—**Theresa A. Spradling**, Louisiana State University
- 1996—**Dawn M. Kaufman**, University of New Mexico
- 1997—**Link Olson**, University of Chicago
- 1998—**Thomas Risch**, Auburn University
- 1999—**Jay F. Storz**, Boston University

- 2000—**Sara Kathleen Lyons**, University of Chicago
2001—**Steven R. Hooper**, Oklahoma State University
2002—**Christine L. Hice**, Texas Tech University
2003—**Antoinette J. Piaggio**, University of Colorado, Boulder
2004—**Jacob R. Goheen**, University of New Mexico
2005—**Sergio Solari**, Texas Tech University

AMERICAN SOCIETY OF MAMMALOGISTS FELLOWSHIP presented to a student in recognition of current accomplishments in mammalogy, service to ASM, and the potential for a productive, future role in professional mammalogy.

- 2001—**Richard D. Stevens**, Texas Tech University
2002—**Andrew McAdam**, University of Alberta
2003—**Debra M. Shier**, University of California, Davis
2004—**Kristofer M. Helgen**, South Australia Museum, Adelaide
2005—**Jacob R. Goheen**, University of New Mexico

WILLIAM T. HORNADAY CONSERVATION AWARD presented to a student/young professional who has made a significant contribution as a student to the conservation of mammals and their habitats.

- 2004—**Brent Sewall**, University of California-Davis
2005—**Isabel Beasley**, James Cook University, Queensland, Australia
2008—**Angelia S. M. Vanderlaan**, Oceanography Department, Dalhousie University, Halifax, Nova Scotia, Canada
2009—**Gerrit Jan Schipper III**, Director of IUCN-SSC/CI-CABS Global Mammal Assessment

OLIVER P. PEARSON AWARD to support a young professional who holds an academic position in a Latin American institution within 5 years of receiving a Ph.D. or equivalent degree

- 2004—**Ulyses Pardiñas**, Centro Nacional Patagónico, Puerto Madryn, Chubut, Argentina
2005—**Yuri Leite**, Universidade Federal do Espírito Santo, Vitória, Brazil
2006—**Luis Fernando Aquirre**, Universidad Mayor de San Simón, Cochabamba, Bolivia
2007—**Eduardo Secchi**, Departamento de Oceanografía, Fundação Universidade Federal do Rio Grande, Rio Grande, Brazil.
2008—**Juan Opazo**, Instituto de Ecología y Evolución, Facultad de Ciencias, Universidad Austral de Chile.
